GRACE PARTNERS FRIENDS IN ASIA

They focus primarily on the local church through pastoral ministry, training church youth leaders, and discipleship.

PRAISE: The family is healthy and safe! They are encouraged and impressed by how the government has responded to the coronavirus crisis. The country is preparing for a full lockdown and potential curfew.

PRAISE: Their adoption has been approved by the government committee and they have joyfully selected a 10-month-old baby girl, who is deaf. Please pray that they would be approved on national and state levels to take her home by her first birthday, despite delays caused by the virus. Please pray for their baby girl's protection and for wisdom as they seek to bring her home in this uncertain time.

PRAYER: As it is now illegal for them to meet in groups of more than five people, this coming Sunday will be their church's first online service. Please pray for the elders to have wisdom as they figure out how to facilitate church, fellowship, children's ministry, and other church functions on an online platform.

PRAYER: That their church would demonstrate tangible willingness to love their neighbors, generosity in supporting the weak and vulnerable, and boldness and compassion to point people to the light of Christ during a dark time.

PRAYER: Before coronavirus became a factor, they were planning to launch a new church in October. Since all plans are now up in the air, pray that when things calm down they will be able to move forward with the launch.
