GRACE PARTNERS

Our friends with their little son serving in Africa

Praise:

- They are doing well despite being under strict confinement for the past two weeks. They are thankful for a spacious and flat roof where they can get fresh air and exercise, as well as for functioning water, heat, and internet.
- For a good supply of food and access to limited supplies at local shops.
- For the ability to connect with others for prayer and encouragement through video chat.

Prayer:

- They have been able to get to know their landlord and his family over the last couple of years. Pray that this family would know Jesus as the bread of life.

- Please pray for wisdom and direction as they seek to love others within the new coronavirus restrictions. Pray that those they have ministered to in the past would find their hope in Christ.
- Please pray that their little son would continue to develop and grow in his language and communication.
- Recently a young woman they served with passed away from complications of cystic fibrosis. Pray for her family and friends as they mourn, and that God would bring a bountiful harvest through the many seeds she planted in her short life.
- Pray that on the other side of the coronavirus situation there would be an unprecedented hunger and thirst to know Jesus and to make him known throughout the world.
