### MATT AND TORI JANSSON - SERVING IN JAPAN WITH TEAM

Matt and Tori Jansson desire to bring believers into God's kingdom by nationally sustainable means.

#### Praise:

- They have had many reasons to celebrate lately! Tori graduated from language school in March, and Matt only has one more quarter left until he is done.
- Tori has started her internship at a church and has been encouraged by the church's care for their members and community during the pandemic.
- The Janssons have been certified to become adoptive parents! The average time for a placement is about a year, but they could receive calls about potential placements anytime.

#### Prayer:

- There was a spike in COVID-19 cases in Tokyo in mid-April, so they are now working from home, Matt's last quarter of language school has been delayed, and in-person gatherings at church have been suspended.
- Due to the virus, this has been a difficult time of transitions from school and from the church they attended for the past few years. Pray that they can grieve their missed goodbyes and find a way to wrap up those relationships well.
- Pray that the Lord would prepare them to share the burdens of a little one whose life has only been marked by tragedy. They are thankful for the countless others in their community who have set such amazing examples for them.
