GRACE PARTNERS

GRACE PARTNERS IN ASIA

They are teaching math at an international school to provide opportunities for discipleship.

Praises:

- They have been enjoying unexpected time with family, due to being in the US. They are thankful for the time together and for a place to stay!
- Though challenging, home-based learning has been successful overall for their school.
- They are thankful for good health and for safety.

Prayer:

- Teaching online has been difficult. Please pray that their students would be encouraged, involved, and persevering. Please also pray that the teachers would continue to find ways to connect with students and provide learning opportunities.
- Their school is trying to have procedures in place in order to be able to reopen. Pray for wisdom and guidance, as well as for favor with the city leaders and education bureau.
- They have been out of their country of service since the beginning of February and would really like to return to their overseas home soon! Please lift up the return process, whenever that will occur, as it is sure to be complicated.
