GRACE PARTNERS OUR FRIENDS SERVING IN AFRICA

PRAISE:

They are thankful for their recent team training, which prepared them to share a short testimony to open doors for spiritual conversations and provided a model for leading disciples to grow in maturity. Praise God that he has already given them opportunities to put the training into practice!

There have been no known cases of COVID-19 in their town, and they are thankful for the freedom this has given them to invest in local relationships. They were also able to reach out to new people before the travel restrictions began.

Their first year of homeschooling their children went well despite many transitions.

PRAYER:

Before COVID, they had spent time helping children develop their reading skills. Since this is not currently possible due to the increased restrictions, they hope to train teachers at a local school to use the same curriculum. Please pray for favor as they pursue this opportunity.

Please pray for wisdom as they parent their three children.

Pray for travel restrictions to lift soon so that they can get a much needed break.
