GRACE PARTNERS

TED AND DANA WITMER

Ted and Dana Witmer work with Crossworld in D.R. Congo doing medical work and teaching at Shalom University.

PRaise:

The Witmers have made great progress in setting up their new home in Virginia as a US base for on-going ministry. They still have their home in Congo and are planning to return there in October. While they are there they will work on agricultural development projects, teach and disciple students, and work in the clinic and hospital.

PRayer:

Shalom University has been asked by their governor to help bring reconciliation to tribal conflicts and rebel groups in their province. Please pray that God would guide the university leadership so that they can be effective in this challenging ministry.

The teachers at Shalom are on a significantly reduced salary and may have to be furloughed, because student tuition pays for most salaries and there are no classes being held. Pray that the faculty of the University will be physically well and financially stable when the school reopens.

Testing for COVID-19 remains inadequate, and a new outbreak of Ebola was declared in another part of Congo. Pray for peace, health, and security in Congo as they suffer from many health problems and economic challenges.
