GRACE PARTNERS OUR FRIENDS SERVING OVERSEAS

PRAISE:

Our Partners and their little son found creative ways to celebrate their birthdays in August, despite the many restrictions in place.

They are grateful for your prayers for their little son's development. He has made much progress over the last few months in both language and physical development. Please continue to pray for growth!

PRAYER:

Our Partners need wisdom and guidance from the Lord as they determine whether or not they should stay overseas. If they leave now, it could be hard for them to return. Pray that

God would grant them favor, open doors, and wisdom as they explore options and make decisions based on what He shows them.

Pray for them as they identify one person a month to intercede for daily, reach out to consistently, and invite to study the Word with them. Pray that our Partners would be steadfast, watchful, and thankful in prayer throughout this endeavor and that God would open doors for the good news.

There has been an increase in COVID-19 cases, but testing capacity is well below what is needed. Pray that they would have wisdom to know how to conduct themselves in light of these circumstances. Please also pray that their coworkers will find favor to be able to return next month.
