GRACE PARTNERS

GRACE PARTNERS SERVING IN ASIA

PRAISE:

Our Partners have been staying in the US for 9 months due to COVID. They are grateful that their visas have been issued for their return, and if all went according to plan, they should be overseas now! They were eager to return, especially since they only expected to be in the US for a few weeks.

They have been able to teach at their school overseas this fall, even while out of the country!

PRAYER:

During their transition back home, our Partners will have to have many COVID tests done. Please pray that they do not contract the virus while traveling, and that their results would be received and verified quickly.

Once they are overseas, they will have to quarantine for 14 days. Please pray that this time would be smooth and safe, especially for their daughter.

One of our Partners will still be responsible for teaching while traveling and quarantining. Please pray that their internet would be strong so that he can keep up with his students, who are on campus.
