GRACE PARTNERS

OUR FRIENDS SERVING OVERSEAS

PRAISE:

Many in their local church were infected by Covid and some became very sick, but they are praising God for healing among these friends.

Teaching online has been going well and has brought about opportunities to talk about matters of eternal significance.

Because many events have moved online this year, our partners have been able to participate in and present at several conferences they normally could not have attended. It has been a meaningful time of learning, growing, and networking.

Praise God that he has been faithful through this challenging season and has given our partners health and joy as they serve.

PRAYER:

Our partners are walking with believers and seekers through many circumstances. Some have been mistreated on account of their faith, and some have not yet come to a full understanding and commitment to follow Jesus alone as Lord of all. Others need wisdom as they passionately try to lead others to Jesus. Pray for guidance, understanding, and endurance!

Please pray that the gospel would spread among the families of those who have come to believe in Christ.

Pray that God's purposes will be established and his name glorified in their area.

Please pray that they would be able to make the most of this time, as they anticipate a new surge in Covid cases.
