OUR FRIENDS SERVING OVERSEAS

*Visit [graceevfree.org/grace-partnerships](http://graceevfree.org/grace-partnerships)*

Our Partners minister to previously unreached people groups

### **PRAISE:**

Our partners are grateful for ongoing work on a guesthouse for their ministry, a project that they are spearheading. The floors are tiled and the interior walls are painted! Pray that final funding would come in for the completion of the project in 2021.

They are grateful for the opportunity to spend 8 weeks in the US for refreshment, time with family, and resupplying.

Their team has been able to be together this past year and has had many opportunities to invest in the nomad community.

### **PRAYER:**

This year they were finally able to fulfill their long-awaited desire to explore where their nomad friends camp for the rainy season, even though this year was particularly rainy. It is very challenging to reach this camp, so please pray for discernment as they consider what future ministry might look like during the rainy season.

Please pray as they continue to adjust to family life with homeschooling and other daily responsibilities.

Pray that their faith would be strengthened in the Lord and that their love for one another would deepen.

## WOMEN'S BIBLE STUDY

"In this world you will have trouble," Jesus warned the disciples just before He was arrested. "But take heart. I have overcome the world." Daniel and his friends were young up-and-comers in Israel when they were seized by the Babylonian army. They suddenly found themselves forcibly removed to Babylon to serve King Nebuchadnezzar. They knew all about the trouble in this world. How did they take heart? What did it look like for these men of God to serve the Babylonian King and yet bow the knee only to their Heavenly King? And what are the implications for us in our increasingly secular culture?

Women of Grace, let's encourage one another, all the more as we see the Day approaching. Join us Thursday nights on the patio at Grace (Lord willing!) or on Zoom. This calls for patient endurance and faithfulness on the part of the saints! Register online at [graceevfree.org](http://graceevfree.org).

## NEW ADULT BIBLE STUDY SERIES IN 1ST JOHN

We live in a troubled age where truth is deemed unimportant and tribes within our society struggle with one another for dominance. John's first letter to the church shows that this isn't new. In 1 John the Apostle calls his flock, to "walk in the light, as He is in the light" and "that we should love one another." It's this melding of truth and love that keeps the church healthy and vital to ensure "that our joy may be complete" in Christ Jesus.

We have the opportunity to study and discuss scripture together starting January 10, 2021 at 11am. You are invited! Email Dave McMillen for the link at [macmaolan@gmail.com](mailto:macmaolan@gmail.com)
