DON AND KATHY ALLEN

Serving with Navigators at Cal State Long Beach: evangelism and discipleship

Pray God opens doors for reaching people with the Gospel this semester (Luke 19:1-10). Key in this will be existing relationships as it has been hard to meet new students who don't know Christ yet virtually.

PRaise AND PRAYER:

Our theme this semester at Cal-State Long Beach is "Learning From Jesus in Making Disciples." Pray God will develop our students with heart, convictions, and skills in making disciples who will make disciples (Matt. 28:18-20).

Give thanks for the new Student Ministry Team and two new staff he has brought to co-labor with us this year. We are so thankful!

Pray for God's love and strength as we serve Becca's family in these unusual days, and I continue to work remotely (Romans 5:5).

We plan to invite new believing students this Spring to join our Student Ministry Team. Pray God gives us new underclassmen for this team who will be foundational for future years of ministry at CSULB (John 17:6).
