GRACE PARTNERS

LUKE AND LAURA

Our Partners work in Africa, using their healthcare training as a platform to build relationships, share the Gospel, and disciple the unreached.

PRAISE: For the safety of their family after needing to make an emergency evacuation from their country's capital due to military unrest. It was a difficult decision to make, but they feel peace with where they are. They are thankful for a good

set up in the south of the country.

PRAYER: For clarity and peace about next steps (when to go back to the capital, if they should leave the country, etc). Pray for their kids as they settle in a temporary place and restart homeschooling.

PRAYER: For peace and stability in their country, as the future feels uncertain amid demonstrations and division in the push for new elections.
