GRACE PARTNERS

J AND J B

The B family lives in Thailand and serves as part of a team with a focus to grow and strengthen their short-term programs and partnerships.

PRAYER: Our home city has seen a huge spike in COVID cases. Thailand has made it mandatory to quarantine at gov't approved facilities with a

positive test, regardless of symptoms. The most concerning aspect of this for us is that children are being separated from parents even if the child is asymptomatic. We'd been planning to return mid-October, but have decided to stay in CA through November (and possibly into December) while we wait for the dust to settle. Please pray for the Thai Covid situation, that the government will soon allow people with no/mild symptoms to be able to stay at home, and for the hospital system to start allowing a parent to stay with a child who tests positive. Pray that God will give us discernment as we make decisions responsibly and with faith for our family's return home to Thailand in light of these current child safety concerns.

PRAISE: Praise God we have been able to make changes to our flights and quarantine hotel so far. Praise God for his provision of the housing we needed, only days before our previous housing option was to end!

PRAYER: Pray for Doys, who is from the Philippines and has a huge heart to serve God and the Thai people. A team in central Thailand has recently said that he'd be a good match for their ministry and asked him to join them for a few months in 2022. It's exciting to see people like Doys and our ministry teams take active steps towards getting back involved with in-person, "on the ground" short-term missions.

PRAYER: Pray for endurance, supernatural settledness in the unsettling (physical and emotional) and lack of routine and community. Pray that our kids would find reassurance in God's presence as their home when home feels elusive and it is difficult moving around so much and not being in our own space. This is also challenging for routines/homeschooling and with the approach of the holidays. The fluctuations in our plans are also a bit of a rollercoaster for the pending separation for Emma (who is at Biola) and the family.
